## **Lobeck Medical shares tradable via XETRA<sup>®</sup>, with immediate effect**

**Designated sponsor BankM biw AG is enabling liquid and transparent share trading on the internationally leading trading platform XETRA<sup>®</sup> - Investor Relations Agency fr financial relations gmbh is providing increased amounts of relevant information**

Frick, April 6<sup>th</sup>, 2009 – The stock of Lobeck Medical AG has been administered since April 1<sup>st</sup>, 2009 by BankM – the representative office of the biw Bank for Investments and Securities AG – as its designated sponsor, and is thereby continuously tradable at market prices on the electronic trading platform XETRA<sup>®</sup>. The Swiss medical technology firm thereby offers its shareholders more flexibility and increased transparency. With the support of fr financial relations gmbh as its investor relations agency, the medical technology firm will also henceforth provide increased amounts of relevant information to the stock market and to its shareholders.

XETRA<sup>®</sup> is the leading international electronic trading system of the Deutsche Börse AG, with which over 260 banks and securities trading firms from 19 countries are affiliated. The prices and share volumes of sell and buy orders placed on the XETRA<sup>®</sup> trading system are visible for all trading participants. This ensures the highest possible degree of transparency, speed and flexibility for all trading participants.

## PRESS INFORMATION

Lobeck Medical AG has been listed in the Open Market section of the Frankfurt Stock Exchange since August 2007. The internationally oriented medical technology firm develops and sells medical diagnostic products, including blood sugar measurement systems and so called quick tests (in-vitro diagnostics), under the brand name MediSmart® of Switzerland. In the future, Lobeck Medical AG will focus in particular on international expansion: The goal is the worldwide marketing of high-quality medical diagnostics products via the company's established distribution network.

### **About the company:**

The Lobeck Medical AG develops and distributes user friendly product solutions for the medical diagnostics market with focus on diabetes (glucometer) and home test products. With sales offices in over 30 countries the company has established a wide international distribution network to market new products developments under the protected brand name MediSmart® of Switzerland all over the world. The Lobeck Medical AG is a Swiss company manufacturing high quality blood glucose meters in Switzerland to be distributed worldwide under its own brand name.
